### Explanatory Notes

Under the provisions of the Freedom of Information Act 2000, information about representations to the published proposal may be accessed by members of the public.

The proposal arises because of concerns about the financial viability of the sixth form and the school's need to deliver a financial recovery plan in order to bring the school into surplus by the end of the financial year 2018-19. The Authority will need to decide whether to implement the proposal before 20<sup>th</sup> March 2017, otherwise it must be referred to the Adjudicator for a final decision.
