NOTES:

- **IF STUDENTS ARE NOT INVOLVED IN AN EXAM, THEY MUST GO TO NORMAL LESSONS.**
- **All Year 11 students will receive their own Individual Exam Timetable via electronic format and in paper from Form Tutors detailing the exact time of their exams, the room they should go to and their seat number. Students need to make themselves fully aware of these details and ensure they know their seat numbers before entering their designated exam room.**
- **Seating Plans will be available outside each exam room to enable students to double check their seat number.**
- **Students need to make sure they take the correct equipment to each exam, e.g. black pens, pencils, rubber, calculator where permitted, etc.**
- **All Exam Rules & Regulations apply for the Internal just the same as External Exams. For example, mobile phones must be switched off and left in your bag, no talking or communicating with other students once students have entered the exam room. Please refer to the Exam Information Booklet and Rules & Regulations on the school website for further details.**
